

# THE ANCIENT ORDER AND THE FRENCH REVOLUTION

● ANCIENT ORDER      VOLTAIRE      MARIE  
A IE O              O AI E              A IE

**Vol-taire** (völ-tär', völ-). François Marie Arouet. 1694-1778. French philosopher and writer.

● The ANCIENT ORDER's Laser Ray system is coded as the name of French writer FRANCOIS VOLTAIRE, at the time of his birth in 1694.

**beta rhythm** also **beta wave n.** A pattern of electrical oscillations occurring in the brain at a frequency of 13 to 30 hertz when a person is awake and alert.

● Voltaire is "volt"(electricity) and "air", a reference to the Laser Rays used to operate the "electrical oscillations of the brain". The ANCIENT ORDER also coded their own vowels, "A,I,E & O", into Voltaire, and their "A,I,E" into his middle name, "Marie". This system, which is used to control others who do not know, is shown in Europe in the 1600's and has been perfected for over 300 years.

● ANCIENT ORDER      BASTILLE PRISON  
A IE O              A I E O

**bas-tille** or **bas-tile** /bastīl/ [F] 1 jail; 2 Bastille castle in Paris used as a prison, destroyed in a popular uprising in 1789 heralding the French Revolution

● The BASTILLE PRISON was stormed by French citizens in 1789, nearly 100 years after Voltaire was born. This Laser Ray system had been in effect in France for at least 100 years before the French Revolution began.

● Note the ANCIENT ORDER's vowels, "A,I,E & O", in "Bastille Prison". The ANCIENT ORDER use these Laser Ray devices to bring down the mightiest. Note that the Bastille Prison was once a castle, then was turned into a prison.

● ANCIENT ORDER      ANTOINETTE, MARIE  
A IE O E              A OI E E A IE

**Ma-rie An-toi-nette** /marē' an'twanet'/ n (1755-93) queen of France 1774-93, wife of Louis XVI; guillotined during the French Revolution

● Note the "A & O" and then the "I,E,E" in ANCIENT ORDER. Now note that is the exact same order, "A,O,I,E,E", in the name "Antoinette" as in MARIE ANTOINETTE, then the Queen of France. Her first name, Marie, has the "A,I,E", of course. She was executed during the French Revolution.

● The ANCIENT ORDER used this system to effect Marie("Let them eat cake!) Antoinette. They first made her mistreat her subjects. Then they used these devices to make the French public riot and revolt("re" and "volt"). It was during the "re-volt"(Revolution) that Queen Marie Antoinette was beheaded.

● ANCIENT ORDER      MAXIMILIEN MARIE ROBESPIERRE  
A IE O E              A IE A IE O E

**Robes-pierre** (röbz'pè-är'). Maximilien François Marie Isidore de. 1758-94. French revolutionary; executed.

● MAXIMILIEN ROBESPIERRE was another historical figure of the French Revolution. His name also has "A,I,E" as well as the entire ANCIENT ORDER "A,I,E,O & E" vowel code. Robespierre was also executed during the French "re-volt" or Revolution.

● Each of the people above have the name "Marie", which is "A,I,E", the ANCIENT ORDER's vowels, plus "M & R". "Marie" / "Mr. A,I,E" / "mystery". The name "Marie" is an ANCIENT ORDER code for "mystery".

● These Laser Ray devices of controlling others are coded into the name "Voltaire" in 1694, 100 years before the French Revolution. The ANCIENT ORDER used this Laser Ray system to bring about innumerable deaths, humiliation and degradation hundreds of years ago in France. This system was world-wide then and has been steadily perfected for better control of others since.
