

# THE ANCIENT ORDER AND ELLEN DEGENERES

● The ANCIENT ORDER has developed Laser-Ray devices which control the impulses of other people. That includes starting and stopping other people's sexual desire impulses and also directing those impulses. The devices have been in use for over one hundred(100) years. They were developed by scientists studying PHOTOSYNTHESIS, the effects of the rays of the Sun on flowers and other plant life.

pho'to-syn'the-sis *n* synthesis of carbohydrates in plants from water and carbon dioxide by the action of sunlight and with the aid of chlorophyll as a catalyst

"You asked me once," said O'Brien, "what was in Room 101. I told you that you knew the answer already. Everyone knows it. The thing that is in Room 101 is the worst thing in the world."

"The worst thing in the world," said O'Brien, "varies from individual to individual."

ELLEN DEGENERES AND MENDELEEV ("E" THE ONLY VOWEL):

● From the ANCIENT ORDER's book, George Orwell's 1984: "The worst thing in the world" is in "Room 101". "101" is a code for "MD" or doctor. That comes from the element "Mendelevium", the 101st element named after a chemist named Mendeleev: "E" the only vowel in that name. Ellen Degeneres has "E" as the only vowel in her entire name.

ELLEN DEGENERES, GREEN, THE BEAST OF BURDEN CODE & THE SLAVERY CODE:

● The GREEN substance of plants which is essential for PHOTOSYNTHESIS is CHLOROPHYLL. Subtract the "green" from Degeneres(Degēnerēs) and "DEES" is left. DS(Dred Scott). EE(5+5=10).

● DS is from DRED SCOTT, a slave who was the subject of a history-making decision by the U.S. Supreme Court which supported slavery. To prove the importance of this code, look at the name of DIANA SPENCER after she married PRINCE CHARLES. LADY diana SPENCER(LASER), ladY diana spencer(RAY). After she married Prince Charles, Diana Spencer(DS) had both "laser" and "ray" in her title and name in a straight line. The DS in Diana Spencer and in Degeneres is from the Dred Scott slavery code.

● The EE(5+5=10) is from the Beast of Burden code. The term "Beast of Burden" is used to refer to persons meant for suffering. It is coded BOB, 202, 2/2 or February 2nd, the 33rd day of the year. 22 33. 2+2+3+3=10.

● Ellen Degeneres' last name, Degeneres, is an amalgam of "green" plus the slavery code plus the Beast of Burden code of the ANCIENT ORDER.

Scott (skōt), Dred. 1795?-1858. Amer. slave; subject of a U.S. Supreme Court decision supporting slavery (1857).

THEIR PURPOSE: ● The ORDER uses media outlets to advance established views of all of their 'creations'. They wanted ELLEN on TV to serve their purposes and to not interfere with anything they have already established in the public's mind about homosexuality. It was: get ELLEN on the air; get the next phase done; then get ELLEN off the air.
