

# THE ANCIENT ORDER'S "1300" AND "311" CODES

● **THE "311" CODE:** The ANCIENT ORDER's "311" code is the doctor code, 101, "MD", added to the Laser Ray(99) added to the Beast(47) and Burden(64).  $101 + 99 + 47 + 64 = 311$ .

● The "311" code is: the ANCIENT ORDER's doctors + their Laser Ray devices of control + those they use the devices on, those who are the Beasts of Burden.

● **THE "1300" CODE:** The ANCIENT ORDER's "1300" code is to honor their control of the "8 to 13...13 to 30 electrical oscillations in the brains" of others. The "1300" code is the "13" times 100. Some of the things the ANCIENT ORDER's doctors make happen with these Laser Rays, are done 1300 days from other significant happenings or other date-codes. They use that "1300" code as another way of marking their crimes so they will be forever recorded on public records such as newspapers, magazines, television news, etc. The "1300" code, the "13" from the "electrical oscillations of the brain" multiplied times 100.

alpha rhythm also alpha wave  $\alpha$ . A pattern of regular electrical oscillations occurring in the brain at a frequency of 8 to 13 hertz when a person is awake and relaxed.

beta rhythm also beta wave  $\beta$ . A pattern of electrical oscillations occurring in the brain at a frequency of 13 to 30 hertz when a person is awake and alert.

● **LUKE WOODHAM:** At right is the first of the 12 mass shootings which appeared in the August 23, 1999 issue of NEWSWEEK.

● Notice the name "Woodham". The "electrical oscillations in the brain" are "8 to 13...13 to 30" 8=H and 13=M. HM. HAM. "Ham" is a code for the "8 to 13" electrical oscillations. That is why Luke Woodham was chosen to start off these 12 killings.

● Notice the date of this first mass shooting: 10-1-97. 10-1 or "101". The ANCIENT ORDER's doctor code is the date of the very first shooting. What happened on this very first mass shooting? On this doctor code date? NEWSWEEK:

● "LUKE WOODHAM, 16, stabbed his mother to death and... [killed] two students, including his ex-girlfriend..."

Why his mother? Remember, this is the first of 12. Why make him stab his mother and shoot his friends, including his former girlfriend? The answer is on page 220 of the ANCIENT ORDER's book, "1984".

● "We have cut the links between child and parent, and between man and man, and between man and woman. No one dares trust a wife or a child or a friend any longer."

The ANCIENT ORDER has total control. They do not allow anything or anyone to matter over what they want done. The ANCIENT ORDER is your mother, your father, your sister, your brother, your best friend, your lover. No one comes before them, and that is why they routinely make subjects kill those people who are closest

We have cut the links between child and parent, and between man and man, and between man and woman. No one dares trust a wife or a child or a friend any longer.
