

to them: their family and friends. In the very first of the 12 shootings in that NEWSWEEK article, according to their tradition, the ANCIENT ORDER made 16 year old Luke Woodham kill his mother, his friends and his ex-girl-friend. And they made him do it on doctor day, "101", 10-1-97.

● 10-1-97 AND THE "1300" CODE: Going back 1300 days from 10-1-97:
 10-1-97 is the 274th day.....1300-274=1026
 1995 and 1996: 2 years or 730 days.....1026-730=296
 1 leap year so subtract 1 more day.....296-1=295
 Go back 295 days into 1994.....365-295=70

● That is the 70th day of 1994. 1300 days back from 10-1-97 is the 70th day of 1994. The 70th day of the year is March:11 or 3/11. That is the "311" code. The first shooting, Luke Woodham's, took place on "doctor day", "101", in 1997, and exactly 1300 days from 3/11/94, with the "311" being:

● doctor + Laser Ray + Beast + Burden
 101 + 55 + 44 + 47 + 64 = 311

2 "CRIMES OF THE CENTURY" AND THE "311" CODE:

- June 12, 1994: The murders of RON GOLDMAN and NICOLE BROWN SIMPSON.
- April 19, 1995: The OKLAHOMA FEDERAL BUILDING is blown up, killing 168.

June 12, the 163rd day. 202 left.....202
 April 19 is the 109th day..... +109
 ● 311

● There were exactly 311 days from the double-murder "Crime of the Century" and the federal building mass murder "Crime of the Century". 311, the doctor + the Laser Ray + the Beast + the Burden, the ANCIENT ORDER's code.

● Also notice the name of the judge who was assigned to the O.J. Simpson child custody case trial, "Judge Nancy Wieben Stock".

● ANCIENT ORDER | NANCY WIEBEN STOCK | NANCY STOCK | STOCK
 A IE O | A IE O | A O | 311

● Her name has the ANCIENT ORDER's vowels, "A,I,E & O", in that exact order. Then her first and last name, "Nancy Stock", has only "A&O", the ANCIENT ORDER's initials, one of each and in that order. Then notice that her last name, "Stock", ends in "ck". C is the 3rd letter of the alphabet and K is the 11th. CK = 311.

● This judge's name, for a case connected to a "Trial/Crime of the Century", has the ANCIENT ORDER's vowels in their exact order. Her name has the ANCIENT ORDER's initials exactly, in her first and last names; and her name ends in the "311" code, the ANCIENT ORDER's code of the doctor + the Laser Ray + the Beast + the Burden = 311.

Last week, following a monthlong, highly contested trial, Judge Nancy Wieben Stock ruled that Simpson could regain custody of his and Nicole's two children, Sydney, 11, and Justin, 8. The two were sleeping in their beds the night their mother and Ronald Goldman were slain on June 12, 1994.

Oklahoma
 City on April 19, 1995, when
 168 people died.

● Below is the doctor, "101", excerpt from the ANCIENT ORDER's book, 1984

"You asked me once," said O'Brien, "what was in Room 101. I told you that you knew the answer already. Everyone knows it. The thing that is in Room 101 is the worst thing in the world."
